(FIFTH DISTRICT) (4 VOTES)**

SUBJECT

Request Board approval authorizing the Sheriff of Los Angeles County (County) to accept and execute a grant award in the amount of \$92,000 from the University of California, Berkeley Safe Transportation Research and Education Center (Safe-TREC) for the Fiscal Year (FY) 2012-13 Sobriety Checkpoint Grant Program, to fund sobriety checkpoint operations in the city of Palmdale.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Sheriff, as an agent for the County, to execute the attached Grant Agreement Number SC13304 (Agreement) in the amount of \$92,000 Safe-TREC for the grant period, October 1, 2012, to September 30, 2013, to fund the Los Angeles County Sheriff's Department's (Department) Palmdale Station sobriety checkpoints.
2. Delegate authority to the Sheriff to execute amendments and modifications to the Agreement and to execute all other necessary grant documents, including but not limited to, applications, agreements, memoranda of understanding, augmentations, extensions, and renewals that may be necessary for completion of the program.
3. Approve an Appropriation Adjustment to increase the Department's Patrol Budget in the amount of \$92,000 (\$90,000 for Salaries and Employee Benefits [overtime] and \$2,000 for Services and Supplies) for FY 2012-13 to be offset by grant funding.

4. Delegate authority to the Sheriff, as an agent for the County, to apply and submit a grant application to Safe-TREC for the Sobriety Checkpoint grant program when and if such future funding becomes available.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The objective of Safe-TREC's Sobriety Checkpoint Grant Program is to reduce the number of victims killed and injured in alcohol-involved collisions. The grant funds from Safe-TREC, which is funded by a grant from the California Office of Traffic Safety, will be used to conduct sobriety checkpoints administered by the Department's Palmdale Station on an overtime basis in the city of Palmdale. There is no match requirement for this program.

Utilizing these grant funds, the Department's Palmdale Station will conduct ten sobriety checkpoints during the Winter Holiday and Labor Day mobilization periods, as well as during times outside of the aforementioned mobilization periods. The Winter Holiday mobilization period is December 14, 2012, through January 1, 2013, and the Labor Day mobilization period is August 16, 2013, through September 2, 2013.

Implementation of Strategic Plan Goals

This program is consistent with the County's Strategic Plan, Goal 3, Integrated Services Delivery, which states that by maximizing opportunities to measurably improve client and community outcomes and leveraging resources through the continuous integration of health, community, and public safety services, we can effectively accomplish the goal of reducing the number of victims killed and injured in alcohol involved collisions through conducting sobriety checkpoints.

FISCAL IMPACT/FINANCING

Approval of an Appropriation Adjustment in the amount of \$92,000 (\$90,000 for Salaries and Employee Benefits [overtime] and \$2,000 for Services and Supplies) is requested to augment the Department's Patrol Budget for FY 2012-13. This amount will be fully offset by grant funding.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This is the fourth year of funding for the Department's Palmdale Station. This grant award for \$92,000 will allow the Department's Palmdale Station (on an overtime basis) to conduct ten sobriety checkpoints in the city of Palmdale throughout the grant period.

During the grant period, the Department will be required to issue press releases, conduct sobriety checkpoints, and collect and report data online for checkpoints conducted during the grant period that is submitted by the deadlines established by Safe-TREC.

The grant period shall be from October 1, 2012, to September 30, 2013. Under the Agreement, the County agrees to indemnify, defend, and save harmless the State of California, its officers, agents, employees, and the Regents of the University of California, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services,

materials, or supplies in connection with the performance of the grant and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the County in the performance of the grant.

This Board letter has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The District Attorney, the Public Defender, and the Alternate Public Defender have determined that this program will not have a significant impact upon their respective departments.

CONCLUSION

Upon your Board approval, please return one adopted copy of this action to the Department's Grants Unit.

Sincerely,

LEROY D. BACA

**Schedule A - Description
Sobriety Checkpoint Grant Program for 2012-2013**

GOALS

1. To reduce the number of victims killed in alcohol-involved crashes.
2. To reduce the number of victims injured in alcohol-involved crashes.
3. To reduce nighttime (2100 hours to 0259 hours) fatal crashes.
4. To reduce nighttime (2100 hours to 0259 hours) injury crashes.
5. To reduce hit and run fatal crashes.
6. To reduce hit and run injury crashes.

AGENCY OBJECTIVES

1. To conduct a total of 10 sobriety checkpoints by September 30, 2013 (should be a minimum of one checkpoint per mobilization).

NOTE: If a department elects to combine a Driver License (DL) checkpoint with a sobriety checkpoint, the department should: 1) inform the public (via the press release) that driver licenses will be checked and 2) conduct DUI/DL checkpoint operations with signs reading, "DUI/Driver License Checkpoint Ahead".

To better identify and apprehend drug-impaired drivers in addition to alcohol-impaired drivers, it is highly recommended that all personnel assigned to staff the greeting lane of the checkpoint be Drug Recognition Experts (DRE's) and/or Advanced Roadside Impaired Driving Enforcement (ARIDE) trained sworn officers. At the very minimum, all officers contacting drivers in the greeting lane should be National Highway Traffic Safety Administration (NHTSA) Standardized Field Sobriety Test (SFST) trained and certified.

To maximize effectiveness, checkpoint operations may be conducted at more than one location on any evening. Each checkpoint should be highly publicized and visible. **The Office of Traffic Safety (OTS) does not fund or support independent DL checkpoints.**

Only on an exception basis and with OTS pre-approval will OTS fund checkpoint operations that begin prior to 1800 hours. When practicable it is recommended that checkpoint operations run until 0300 hours.

2. If appropriate, a supervisor(s) should attend OTS-sponsored "DUI Checkpoints - Planning and Management" eight-hour, POST-certified training by December 31, 2012. Officers are encouraged to attend this training as well.
3. To collect and report checkpoint statistics on-line for checkpoints conducted during the Winter and Labor Day mobilization periods and submit the data by the deadlines established by the Safe Transportation Research and Education Center (SafeTREC).
4. To collect and report checkpoint statistics on-line for checkpoints conducted outside the mobilization periods and to submit the data by the end of the applicable quarter(s).

Schedule A - Description (continued)
Sobriety Checkpoint Grant Program for 2012-2013

MEDIA OBJECTIVES

1. After the statewide kick-off press event, issue a press release announcing the kick-off of this grant, using the OTS kick-off press release template provided by SafeTREC.
2. During the mobilization periods (December 14 - January 1 and August 16 - September 2), if an AVOID media campaign is active in the county, grantee should notify the AVOID Coordinator of checkpoint locations, dates and times at least fourteen (14) days in advance of all planned checkpoints. The AVOID Coordinator should issue press releases including checkpoints conducted during the mobilization periods to all major media outlets in the region.
3. For each checkpoint operation, grantee should distribute a separate press release using the OTS template provided by SafeTREC unless multiple checkpoints are to be conducted within a seven (7) day period, in which case one press release covering the seven (7) day period that covers all operations will suffice. When using the OTS press release template provided by SafeTREC, grantee should forward press releases, media advisories, alerts and other press materials to SafeTREC concurrently with distribution to the media. If any other press release format or copy is used, grantee should submit the press release to the OTS Public Information Officer at pio@ots.ca.gov for his review. Optimum lead-time would be 10 – 20 days prior to the operation. The approved press release should also be sent to the SafeTREC. For post-operational media communications that report the results of checkpoints, grantee does not need to have the release approved by OTS.
4. Grantee should use OTS's Tagline "Report Drunk Drivers. Call 911" on all news releases and checkpoint publication materials.
5. To use the following standard language in all press, media, and printed materials: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
6. Grantee should issue to the media a post-operational news release reporting the results of the checkpoint (do not submit to OTS media communications reporting the results of checkpoints). Any drug-impaired driving arrests (23152(a)) and other drug arrests (possession, transportation, for sale) made as the result of the checkpoint operation should be incorporated into the post-operational media release.

METHOD OF PROCEDURE

Phase I: Program Preparation (October 1, 2012 – December 13, 2012)

2. Notify the SafeTREC of any changes in contact information. The contract, purchase order number and Fact Blasts are emailed to the contact person listed in the agency application.
